

Dear Parents and students,

Thank you very much for attending my seminar on college admissions planning last Sunday. It was great to see so many of you there. I am thrilled that I was able to share my knowledge with you.

There are changes coming in the application system that were just announced on Monday 9/28/15!

A group of elite universities are putting a portfolio that need to be filled all through the high school and as early as ninth grade for the purpose of college admissions.

If you would like get more details on the newest changes and to subscribe to my newsletter and other college tips, please send me an e-mail targili@yahoo.com and I will add you to my list.

I am available now for college counseling and I will love to answer your and your student's college questions.

Please keep in touch,

Michal Rusak
